

STILO-BL

Hydraulic hole punching tool

ROBUST

Hydraulic head made of high-strength material

FLEXIBLE

Head swiveling and rotatable by 360°

AUTOMATIC RETURN

At the end of the punching cycle

ERGONOMIC

Fatigue-free working and easy handling thanks to a balanced 2-component handle

POWERFUL

18V lithium-ion battery 1.5Ah for even more punching with one battery power

INTELLIGENT

Multifunction LED to indicate the maintenance intervals (10.000 cycles)

Technical Characteristics

Suitable for punching round, square and rectangular holes up to max. 3 mm material thickness.

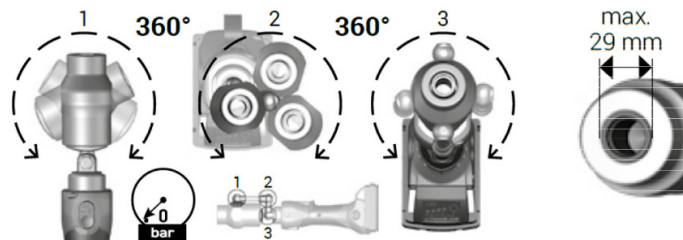

Characteristics:

- Light, compact and robust construction
- Ergonomic 2-component handle allows fatigue-free working
- Head swiveling / rotating around 360 °
- Fast feed through 3-fold axial piston pump
- Pressure monitoring by electronic pressure sensor
- Fast tool returns through patented return valve
- Manual return possible in any position
- Punch detection, automatic return after releasing from the start switch at the completed punching cycle or by reaching the maximum force.
- Powerful Li-ion battery
- Fall arrester by means of a hand strap
- Application Temperature range: -10 ° C / + 40 °.

Punch performance (max. sheet thicknesses):

- Max Ø63,5 mm:.....3,0 mm St-Material/2,5 mm VA-Material
- Max 68,0 x 68,0 mm:.....3,0 mm St-Material/1,5 mm VA-Material
- Max 92,0 x 92,0 mm:.....2,5 mm St-Material/1,5 mm VA-Material
- Bigger than 92,0 x 92,0 mm till 138,0 x 138,0 mm 2 mm St-Material

Hydraulic force	60 kN
Head rotation	360°
Operating Pressure	680 bar
Battery voltage	18 V
Weight (with battery)	ca. 2,3 kg
Device dimensions loose with battery	398 x 126 x 82 mm

Description	order no.	dimensions	weight
Hydraulic hole punching tool	STILO-BL	560 x 357 x 120 mm	5,5 kg

Set of equipment & accessories

- Hydraulic cordless puncher Stilo BL
- Battery 18V-1.5Ah (2.0Ah) Li-Ion
- Battery charger (LG8)
- Robust plastic case for holding the Tool, spare battery, charger and hole inserts
- 1x Draw stud 9,5 x 19,0 mm
- 1x Draw stud 19,0 x 125,0 mm
- 1x Distance socket
- 1x Tube anti-wear paste
- HSS Multi step drill for pre-drilling
- USB cable
- CD-ROM (Software)
- Operating instructions, safety and maintenance instructions

STILO-BL SET

Optional

- 230V AC mains adapter (NG3)

NG3
